Central Plateau Cleanup Company (CPCC) acting under its contract with the Department of Energy, requests Offerors to submit a proposal for a Firm Fixed Price type of contract to provide RS&I Task Order Development and Project Control Services. - Part I – Statement of Work
- Part II - Financial Terms
- Part III – General Terms and Attachments
- Part IV – Special Provisions

CPCCo may determine that any proposal not submitted in accordance with this Request for Proposal (RFP) is non-responsive and reject the proposal.

Upon receipt of Contractor's notification of intent to propose CPCCo will provide the Contractor an email notification with a link to the SCMC eSourcing event including access instructions. Contractor will be afforded the opportunity to preview the application and place pricing information prior to the commencement of an event. This preview phase is called the pre-bid period. At the conclusion of the pre-bid period, the eSourcing event will commence and continue until its expiration. Events typically last 15-30 minutes.

This action will be conducted as an electronic bidding process with the ability to decrement bid. Upon the Contractor's submittal of their initial price and after commencement of the event, the Contractor will be assigned a number that corresponds to the rank of their price relative to the pricing submitted by other participants. The lowest priced submittal is ranked number one, the second lowest price is ranked number two, the third lowest price is ranked number three, and so on. A Contractor may revise and submit lower pricing until the event expires. Pricing cannot be increased.

Award of this solicitation will be made to the responsive, responsible offeror with the lowest evaluated price.

2.1 Acceptance or Rejection of Proposals

CPCCo reserves the right to accept or reject any proposal with or without prior discussion with the Offeror. CPCCo may:

- reject any or all proposals received;
- issue a request for new proposals; or
- cancel the RFP without awarding a contract.
