### **2.0 SUBCONTRACT VALUE**

#### **2.1 Fully Funded**

The value of this Subcontract is \$TBD

### **3.0 PAYMENT SCHEDULE**

TBD

#### **3.1 Milestone Payment Schedule – Fixed Price Line Items**

Subject to such other limitations and conditions as are specified in this Contract and this clause, Subcontractor may request milestone payments in accordance with the Milestone Payment Schedule Table.

1. Buyer may reduce or suspend milestone payments, deduct the amount of milestone payments previously paid from any amounts owing to Subcontractor, or take a combination of these actions after any of the following conditions occurs:
  - a. the Subcontractor failed to comply with any material requirement of this Contract;
  - b. performance of this Contract is endangered by the Subcontractor's failure to make progress or unsatisfactory financial condition;
  - c. the Subcontractor is delinquent in payment of any Subcontractor or supplier under this Contract in the ordinary course of business; or
  - d. the amount of payments under this Contract exceed any limitation in this Contract.
  - e. Subcontractor fails to satisfactorily remedy such condition.
2. Subcontractor shall promptly furnish reports, certificates, financial statements, and other pertinent information requested by Buyer to determine that a milestone event has been successfully completed. Subcontractor shall provide Buyer reasonable opportunity to examine and verify the Subcontractor's records and to examine and verify the Subcontractor's performance. Buyer may decline one or more milestone payment requests any time the Subcontractor's records or controls are determined by Buyer to be inadequate for support of the request.
3. Buyers's rights and remedies under this clause are not exclusive; rather, they are in addition to any other rights and remedies provided by law or this Subcontract.

4. An [Authorization for Electronic Funds Transfer \(EFT\) of Invoice Payments](#) shall be on file with Buyer before EFT payments can be made.
5. Invoices will be paid according to the terms and conditions of the Contract *unless* substantiated evidence is obtained claiming Subcontractor is delinquent in payment to its Subcontractors. All future payments may be reduced or suspended by the Contract Specialist until validation is received from the Subcontractor verifying its Subcontractor payments are current.

### **6.3 Contracts for Services**

1. Unless otherwise authorized in the Contract, service contracts shall not be invoiced more than once per calendar month.
2. The total amount due for the billing period shall be clearly identified on all invoices (this amount shall be set apart from any cumulative amounts or subtotals).
3. The billing period (beginning date and end date) shall be clearly identified on all invoices.
4. Invoiced amounts, rates, other direct charges or travel shall be specifically defined in the Contract based on the Contract type to be allowable for reimbursement.
5. Training costs on fixed priced contracts must be invoiced for the lump sum amount/CLIN without backup documentation. Training costs on flexibly priced contracts that are invoiced intermittently must have employee names, Hanford ID and date of training. If the training certificate is available, then it should be included with the invoice supporting documentation.
6. The Labor Classification/Job Category must be listed with the respective billing rate.

### **6.4 Submittal**

1. Invoices and supporting documentation may be submitted electronically in Adobe® PDF. The subcontract number and invoice number must be in the file name.
2. Submit invoices electronically via e-mail to Buyer's Accounts Payable at [CPCCAP@rl.gov](mailto:CPCCAP@rl.gov) and

## **7.0 FINAL RELEASE AND CLOSEOUT**

Subcontractor, after completion of work and receipt of final payment under this Contract, shall promptly execute and deliver a final release discharging the Buyer, the Government and their officers, agents, and employees of and from all liabilities, obligations and claims arising out of this Contract.

## **8.0 SPECIAL INSTRUCTIONS**

### **8.1 Back Charges**

Buyer reserves the right to back charge the Subcontractor for costs incurred by Buyer that are caused by the Subcontractor or Subcontractor's Subcontractors in accordance with this Subcontract General Provisions. In addition to the circumstances described in the General Provisions, the back charge may also result from:

1. Services performed by Buyer, at Subcontractor's request, which are within Subcontractor's scope of work under the Contract.
2. Costs sustained by Buyer as a result of Subcontractor's non-compliance with the provisions of this Contract or Subcontractor's act of omission or negligence.
3. Costs incurred by Buyer to fix all defects, deficiencies or errors that appear in the Work during the warranty period.
4. Costs associated with Buyer support costs when work is interrupted by a Subcontractor-caused delay or equipment failure.

At Buyer's sole discretion and if circumstance allow, Subcontractor may be offered the opportunity to propose a fix or take mitigating actions to reduce the impact and total back charge. In the event that Subcontractor fails to take satisfactory action, Subcontractor's option to mitigate shall be withdrawn and Buyer will take appropriate action to cure the problem and back charge Subcontractor.

### **8.2 Work Hours**

Subcontractor personnel providing professional and staff augmentation support under this Contract are expected to work the hours necessary to accomplish the task, which may require them to work beyond the base work hours. This shall be taken into consideration when identifying job position and salary levels.

#### **1.5 Subcontractor – Buyer Interface**

Buyer and the Subcontractor will interface only through Buyer’s Contract Specialist for clarifications and questions.

#### **1.6 Other Interfaces**

Additional Buyer contacts will be identified at the kickoff meeting.

#### **1.7 Designation of Technical Representative**

The designated Buyer’s Technical Representative (BTR) for this Subcontract is:

- TBD

The BTR is responsible for monitoring and providing technical guidance for this Subcontract and shall be contacted regarding questions or problems of a technical nature. The BTR is also responsible for appropriate oversight of Subcontractor’s personnel while on site and the interface between Subcontractor and other Buyer organizations supporting Subcontract performance.

Authority of the BTR and supporting organizations is limited to providing technical direction within the scope and provisions of this Subcontract. The BTR may not direct work or authorize any change outside of the written Contract and Subcontract provisions.

The BTR does not possess any explicit, apparent or implied authority to modify the Subcontract. When in the opinion of the Subcontractor, the BTR requests or directs efforts outside the existing scope of the Subcontract Subcontractor shall promptly notify the Contract Specialist in writing. No action outside the scope of the Subcontract shall be taken until the Contract Specialist makes a determination and/or modifies the Subcontract.

In no event, will an understanding or agreement, modification, change order, or any deviation from the terms of this Subcontract be effective or binding upon Buyer unless formalized by proper Subcontract documents executed by the Contract Specialist.

#### **1.8 Packing List**

Subcontractor shall enclose a packing list with each shipment referencing:

1. Name of Subcontractor
2. Subcontract number and item number
3. Date of Contract

- 
4. Itemized list of supplies or services furnished
  5. Quantity of each item
  6. Date of delivery or shipment
  7. Stock number (if applicable)

### **1.9 Package Identification**

All envelopes, boxes or packages shipped to Buyer in performance of this Contract shall be clearly marked with the Contract number.

### **1.10 Subcontractor Submittals**

The Subcontractor submittals identified herein on the SOW Attachment 1, Submittal Register, shall be submitted by the Subcontractor using the Subcontractor Document Submittal Form (CDSF). Instructions for completion of the CDSF are included with the form. The quantity, frequency and type of submittal shall agree with the requirements set forth on the Submittal Register. A Submittal Number, entered on the CDSF by the Subcontractor in accordance with the submittal register, shall be used to identify each submittal. Engineering controlled Vendor Information (VI) content shall be identified on the CDSF when indicated on the Submittal Register. CDSF forms may be copied for submittals with different submittal dates. When any submission is returned to the Subcontractor with a request for resubmission (i.e., marked as: “B” and “Resubmit – Yes” or “C Revise and Resubmit”), the Subcontractor shall resubmit all corrected documents within the time specified on the resubmission notice or if no time is specified therein within 10 working days from the disposition date. New submittals shall require the Subcontractor to contact Buyer if additional Submittal Numbers are required.

Changes to a Subcontractor’s deliverables that have not been accepted by Buyer as complete shall be re-submitted using the CDSF form and in accordance with a Subcontractor’s Buyer-approved Quality Assurance and/or Engineering Program.

### **1.11 Proprietary Data Submittals**

If Subcontractor submits any data as part of their Subcontract that is considered by the Subcontractor to be “Proprietary Data” for either the document transmitting the data or the document containing the data, the items shall be boldly marked indicating that the data included in considered to be proprietary.

### **1.12 Document Transmittals**

The Subcontractor shall utilize a document transmittal system for the exchange of data and information during the performance of work under this Subcontract. The transmittal shall contain:

1. a unique identification number,
2. a brief identification of the document(s) including revisions,
3. the date of the transmittal,

- 
4. purpose of the transmittal, including required action (if any),
  5. signature of supplier representative, and
  6. means or provisions for receipt acknowledgement by Buyer.

### **1.13 Requests for Clarification or Information**

Where necessary, the Subcontractor may elect to submit formal requests for clarification or information as necessary to obtain technical clarifications using the Request for Clarification or Information (RCI) Form. The inquiry portion of the RCI Form shall be completed by the Subcontractor, including a determination of priority and an identification of schedule delay with the issue, if applicable. RCI Form numbering shall be left blank and assigned by Buyer upon receipt. Buyer will complete an evaluation and provide a disposition and determine additional actions required when appropriate. The purpose of the form is to facilitate formal communications when necessary.

### **1.14 Contract Change Request**

The Subcontractor shall submit formal requests for changes to the scope, schedule or cost of this Subcontract using the Contract Change Identification Form (Change Form). The appropriate portions of the Change Form shall be completed by the Subcontractor. A red-line mark up of the Statement of Work or Specification showing where the proposed changes fit within the scope shall be attached, if applicable. Change Form numbering shall be left blank and assigned by Buyer upon receipt. Buyer will complete an evaluation, provide a disposition and determine additional actions required as appropriate. The purpose of the form is to facilitate formal communications.

### **1.15 Work Schedules and Holiday**

Daily work schedules and facility operations are NOT consistent on the Hanford Site. Buyer and some other organizations are working a 4x10 schedule and others observe alternate Friday closures.

Accordingly, Subcontractor is responsible to understand and plan to support the work schedule required for this specific Contract and/or work location. BEFORE scheduling work on site and/or deliveries, the Subcontractor shall make specific schedule arrangements with Buyer, BTR, Facility Manager, Delivery Warehouse Manager, Building Manager, and other interfaces as appropriate.

Buyer will not be liable for the cost of any delays, demurrage, layover, extra travel days, etc. which result from Subcontractor's failure to plan for and obtain specific schedule concurrence in advance.

### **1.16 Foreign National Notification and Approval**

The Subcontractor, regardless of work location, shall obtain Buyer's approval prior to providing any Foreign National (non-U.S. citizen) access to any Department of Energy (DOE)/Buyer sites, programs, information and technologies under this Contract. Prior approval is also required for Subcontractor-hosted meetings where Foreign National(s)

---

will be present (in person or virtually). Foreign National requests will be processed in accordance with [DOE Order 142.3A Chg 1 \(MinChg\)](#), *Unclassified Foreign Visits and Assignments Program*, and applicable Hanford Site procedures.

Furthermore, Subcontractor travel outside the United States for the purpose of performing work under this Contract shall be approved in advance by Buyer. Foreign travel will be reviewed and processed in accordance with [DOE Order 551.1D Chg 2 \(Minor Revision\)](#), *Official Foreign Travel*.

**2.0 DEFINITIONS**

There are no special definitions applicable to this Subcontract.

**3.0 ASSUMPTIONS**

There are no special assumptions applicable to this Subcontract.
