PART II – FINANCIAL TERMS

1.0 SUBCONTRACT TYPE

This Contract is a Time & Materials (T&M) contract.

2.0 SUBCONTRACT VALUE

2.1 Fully Funded

The value of this Subcontract is \$TBD

2.2 Estimated Cost of Contract

The estimated value for this Contract is as stated above. The Subcontractor shall not exceed this amount without specific written authorization from Buyer. The Subcontractor shall notify the cognizant Contract Specialist in writing when the Subcontractor reaches 75% of the current estimated value.

3.0 PAYMENT SCHEDULE

TBD

The primary technical contributors for this Subcontract/Release when identified above shall not be reassigned during the period of performance of this Contract/Release without prior approval of the Contract Specialist and Buyer's Technical Representative (BTR). Other employees of the Subcontractor, not listed above but listed on the Subcontract's Labor Rate Schedule, may be used for nominal work efforts on this Contract/Release, provided that:

1. the Subcontractor submits prior written notification to the Contract Specialist and the BTR;
2. the Subcontractor does not exceed the Contract/Release ceiling price; and
3. only those employees named on the authorized and approved Labor Rate Schedule in effect on the date work occurred shall be authorized to perform work on this Contract/Release.

4.0 PRICING INSTRUCTIONS FOR CHANGE ORDERS/MODIFICATIONS

Buyer reserves the right to request a complete pricing breakdown, including certified or uncertified cost or pricing data as applicable, for any change orders or modifications that have an impact to the established Contract pricing.

5.0 ESTIMATED BILLING

The Subcontractor shall provide monthly to Buyer an estimate of the total cost incurred (invoiced plus cost incurred for the current fiscal month) from inception of the Subcontract through the current fiscal month end. This data shall be provided for each contract or task order release until all payments are received, and each subcontract or task order release is complete.

This data shall be provided electronically (preferred) each month, typically between the 12th and 16th of the month, through [Hanford Vendor Registration](#), which displays a list of fiscal month end dates. Contact vendorregsupport@rl.gov with technical issues.

Alternative methods for submitting this data are email or mail and shall be received by Buyer by the 15th of each month. Use either the Microsoft[®] Excel[®] or Word version of the Monthly Contract-to-Date Cost Estimate Form found at <https://cpcco.hanford.gov/page.cfm/SubmittalsFormsDocs>.

6.0 INVOICING INSTRUCTIONS

6.1 Subcontractor Invoices

Invoices submitted to Buyer shall be submitted as follows. Failure to submit a proper and accurate invoice may result in reduction in payment, rejection or delay of the invoice until the required documentation is provided. Address invoicing requirement questions to the Contract Specialist.

6.2 General Requirements

1. Each Subcontract, Task Order Release and Purchase Order shall be invoiced separately and in a timely manner with respect to the invoiced products or services.
2. The invoice shall be provided in accordance with the Federal Acquisition Regulation (FAR) Part 32.905.
3. Remittance will only be made to the remittance address on file for the Subcontractor. Invoices from third parties or with different remittance instructions or addresses will not be processed.
4. An [Authorization for Electronic Funds Transfer \(EFT\) of Invoice Payments](#) shall be on file with Buyer before EFT payments can be made.
5. Invoices will be paid according to the terms and conditions of the Contract *unless* substantiated evidence is obtained claiming Subcontractor is delinquent in payment to its Subcontractors. All future payments may be reduced or suspended by the Contract Specialist until validation is received from the Subcontractor verifying its Subcontractor payments are current.

6.3 Contracts for Services

1. Unless otherwise authorized in the Contract, service contracts shall not be invoiced more than once per calendar month.

2. The total amount due for the billing period shall be clearly identified on all invoices (this amount shall be set apart from any cumulative amounts or subtotals).
3. The billing period (beginning date and end date) shall be clearly identified on all invoices.
4. Invoiced amounts, rates, other direct charges or travel shall be specifically defined in the Contract based on the Contract type to be allowable for reimbursement.
5. Training costs on fixed priced contracts must be invoiced for the lump sum amount/CLIN without backup documentation. Training costs on flexibly priced contracts that are invoiced intermittently must have employee names, Hanford ID and date of training. If the training certificate is available, then it should be included with the invoice supporting documentation.
6. The Labor Classification/Job Category must be listed with the respective billing rate.

6.4 Submittal

1. Invoices and supporting documentation may be submitted electronically in Adobe® PDF. The subcontract number and invoice number must be in the file name.
2. Submit invoices electronically via e-mail to Buyer's Accounts Payable at CPCCAP@rl.gov and
 - a. The Subcontractor's name, invoice number, and the Subcontract and Task Order Release number(s) shall be in the subject line of the e-mail message used to submit an electronic invoice. The suggested format for the subject line is: Subcontractor Name, Invoice XXXXX, Contract TBD.
3. Submit hard copy invoices including supporting documentation to Buyer's Accounts Payable organization at the address below.

Attn: Accounts Payable
Central Plateau Cleanup Company
P.O. Box 1464 Mail Stop H7-32
Richland, WA 99352

6.5 Cost Adjustments

The cost(s) of this Contract are subject to adjustment based on the resolution of recommendations contained in any report of Government Audit in accordance with cost principles contained in the Department of Energy Acquisition Regulations and the Federal Acquisition Regulations.

7.0 FINAL RELEASE AND CLOSEOUT

Subcontractor, after completion of work and receipt of final payment under this Contract, shall promptly execute and deliver a final release discharging the Buyer, the Government and their officers, agents, and employees of and from all liabilities, obligations and claims arising out of this Contract.

8.0 SPECIAL INSTRUCTIONS

8.1 Back Charges

Buyer reserves the right to back charge the Subcontractor for costs incurred by Buyer that are caused by the Subcontractor or Subcontractor's Subcontractors in accordance with this Subcontract General Provisions. In addition to the circumstances described in the General Provisions, the back charge may also result from:

1. Services performed by Buyer, at Subcontractor's request, which are within Subcontractor's scope of work under the Contract.
2. Costs sustained by Buyer as a result of Subcontractor's non-compliance with the provisions of this Contract or Subcontractor's act of omission or negligence.
3. Costs incurred by Buyer to fix all defects, deficiencies or errors that appear in the Work during the warranty period.
4. Costs associated with Buyer support costs when work is interrupted by a Subcontractor-caused delay or equipment failure.

At Buyer's sole discretion and if circumstance allow, Subcontractor may be offered the opportunity to propose a fix or take mitigating actions to reduce the impact and total back charge. In the event that Subcontractor fails to take satisfactory action, Subcontractor's option to mitigate shall be withdrawn and Buyer will take appropriate action to cure the problem and back charge Subcontractor.

8.2 Work Hours

Subcontractor personnel providing professional and staff augmentation support under this Contract are expected to work the hours necessary to accomplish the task, which may require them to work beyond the base work hours. This shall be taken into consideration when identifying job position and salary levels.

8.3 On-Site Hours Reporting and Record Keeping

The Subcontractor shall submit each month a report of labor hours worked on site using the electronic Labor Hour Submittal Form, to document all hours worked on site by Subcontractor personnel (including subcontractor personnel, if applicable) during the previous month in support of Buyer-supervised work activities. This monthly report of labor hours worked on site is due by the date indicated within the Labor Hour Submittal Form for each contract or task order release.

1.3 Abnormal or Unusual Situations

In the event that there is an abnormal or unusual situation associated with this Subcontract work scope, the Subcontractor is to immediately contact the designated Contract Specialist or designated Buyer's Technical Representative (BTR). If the Subcontractor is unable to contact either the Contract Specialist or the BTR, the Subcontractor is to contact the Buyer Emergency Operations Center at (509) 376-2900, which is available 24 hours a day, seven days a week, and provide them with: Subcontract Number, Contract Specialist's name, BTR's name and a short summary of the abnormal or unusual situation. If after making contact with Buyer, the Subcontractor is advised to suspend activities, the Subcontractor is not to proceed until such direction to proceed has been expressly issued by the Contract Specialist. If there is an emergency situation, the Subcontractor is to make the appropriate immediate emergency call to 911 or (509) 373-0911 for cell phones and then make the notifications to Buyer as set forth herein.

1.4 Authorized Personnel

Only the following named Subcontract individuals are authorized to make changes to this document:

-
- Contract Specialist, Marlemne Uvalle
 - Manager, Rayna Moe

1.5 Subcontractor – Buyer Interface

Buyer and the Subcontractor will interface only through Buyer’s Contract Specialist for clarifications and questions.

1.6 Other Interfaces

Additional Buyer contacts will be identified at the kickoff meeting.

1.7 Designation of Technical Representative

The designated Buyer’s Technical Representative (BTR) for this Subcontract is:

- TBD

The BTR is responsible for monitoring and providing technical guidance for this Subcontract and shall be contacted regarding questions or problems of a technical nature. The BTR is also responsible for appropriate oversight of Subcontractor’s personnel while on site and the interface between Subcontractor and other Buyer organizations supporting Subcontract performance.

Authority of the BTR and supporting organizations is limited to providing technical direction within the scope and provisions of this Subcontract. The BTR may not direct work or authorize any change outside of the written Contract and Subcontract provisions.

The BTR does not possess any explicit, apparent or implied authority to modify the Subcontract. When in the opinion of the Subcontractor, the BTR requests or directs efforts outside the existing scope of the Subcontract Subcontractor shall promptly notify the Contract Specialist in writing. No action outside the scope of the Subcontract shall be taken until the Contract Specialist makes a determination and/or modifies the Subcontract.

In no event, will an understanding or agreement, modification, change order, or any deviation from the terms of this Subcontract be effective or binding upon Buyer unless formalized by proper Subcontract documents executed by the Contract Specialist.

1.8 Subcontractor Submittals

The Subcontractor submittals identified herein on the SOW Attachment 1, Submittal Register, shall be submitted by the Subcontractor using the Subcontractor Document Submittal Form (CDSF). Instructions for completion of the CDSF are included with the form. The quantity, frequency and type of submittal shall agree with the requirements set forth on the Submittal Register. A Submittal Number, entered on the CDSF by the Subcontractor in accordance with the submittal register, shall be used to identify each submittal. Engineering controlled Vendor Information (VI) content shall be identified on the CDSF when indicated on the Submittal Register. CDSF forms may be copied for submittals with different submittal dates. When any submission is returned to the

Subcontractor with a request for resubmission (i.e., marked as: “B” and “Resubmit – Yes” or “C Revise and Resubmit”), the Subcontractor shall resubmit all corrected documents within the time specified on the resubmission notice or if no time is specified therein within 10 working days from the disposition date. New submittals shall require the Subcontractor to contact Buyer if additional Submittal Numbers are required.

Changes to a Subcontractor’s deliverables that have not been accepted by Buyer as complete shall be re-submitted using the CDSF form and in accordance with a Subcontractor’s Buyer-approved Quality Assurance and/or Engineering Program.

1.9 Proprietary Data Submittals

If Subcontractor submits any data as part of their Subcontract that is considered by the Subcontractor to be “Proprietary Data” for either the document transmitting the data or the document containing the data, the items shall be boldly marked indicating that the data included in considered to be proprietary.

1.10 Document Transmittals

The Subcontractor shall utilize a document transmittal system for the exchange of data and information during the performance of work under this Subcontract. The transmittal shall contain:

1. a unique identification number,
2. a brief identification of the document(s) including revisions,
3. the date of the transmittal,
4. purpose of the transmittal, including required action (if any),
5. signature of supplier representative, and
6. means or provisions for receipt acknowledgement by Buyer.

1.11 Requests for Clarification or Information

Where necessary, the Subcontractor may elect to submit formal requests for clarification or information as necessary to obtain technical clarifications using the Request for Clarification or Information (RCI) Form. The inquiry portion of the RCI Form shall be completed by the Subcontractor, including a determination of priority and an identification of schedule delay with the issue, if applicable. RCI Form numbering shall be left blank and assigned by Buyer upon receipt. Buyer will complete an evaluation and provide a disposition and determine additional actions required when appropriate. The purpose of the form is to facilitate formal communications when necessary.

1.12 Contract Change Request

The Subcontractor shall submit formal requests for changes to the scope, schedule or cost of this Subcontract using the Contract Change Identification Form (Change Form). The appropriate portions of the Change Form shall be completed by the Subcontractor. A red-line mark up of the Statement of Work or Specification showing where the proposed changes fit within the scope shall be attached, if applicable. Change Form numbering

shall be left blank and assigned by Buyer upon receipt. Buyer will complete an evaluation, provide a disposition and determine additional actions required as appropriate. The purpose of the form is to facilitate formal communications.

1.13 Work Schedules and Holiday

Daily work schedules and facility operations are NOT consistent on the Hanford Site. Buyer and some other organizations are working a 4x10 schedule and others observe alternate Friday closures.

Accordingly, Subcontractor is responsible to understand and plan to support the work schedule required for this specific Contract and/or work location. BEFORE scheduling work on site and/or deliveries, the Subcontractor shall make specific schedule arrangements with Buyer, BTR, Facility Manager, Delivery Warehouse Manager, Building Manager, and other interfaces as appropriate.

Buyer will not be liable for the cost of any delays, demurrage, layover, extra travel days, etc. which result from Subcontractor's failure to plan for and obtain specific schedule concurrence in advance.

1.14 Foreign National Notification and Approval

The Subcontractor, regardless of work location, shall obtain Buyer's approval prior to providing any Foreign National (non-U.S. citizen) access to any Department of Energy (DOE)/Buyer sites, programs, information and technologies under this Contract. Prior approval is also required for Subcontractor-hosted meetings where Foreign National(s) will be present (in person or virtually). Foreign National requests will be processed in accordance with [DOE Order 142.3A Chg 1 \(MinChg\)](#), *Unclassified Foreign Visits and Assignments Program*, and applicable Hanford Site procedures.

Furthermore, Subcontractor travel outside the United States for the purpose of performing work under this Contract shall be approved in advance by Buyer. Foreign travel will be reviewed and processed in accordance with [DOE Order 551.1D Chg 2 \(Minor Revision\)](#), *Official Foreign Travel*.

1.15 Service Contract Labor Standards

This Contract is subject to Service Contract Labor Standards (formerly known as the McNamara-O'Hara Service Contract Act of 1965) as specified in [FAR 22.10](#). In accordance with Service Contract Labor Standards, the Subcontractor shall pay service employees, employed in the performance of this Subcontract, no less than the minimum wage and furnish fringe benefits specified by Service Contract Labor Standards or applicable Wage Determination.

The Service Contract Labor Standards Wage Determination specifically for this Subcontractor at <https://cpcco.hanford.gov/page.cfm/SubmittalsFormsDocs>.

A Directory of Occupations and more information about the Service Contract Act can be found on the [Department of Labor website](#).

2.0 DEFINITIONS

There are no special definitions applicable to this Subcontract.

3.0 ASSUMPTIONS

There are no special assumptions applicable to this Subcontract.
