This solicitation incorporates the Questions & Answers:

- 1) **Question:** In section 4.1.2 Factor 3 – Technical Approach: c. Any years’ experience of three (3) years’ experience in baseline management systems, preferably HLANCostPlan or similar. Can you please clarify this sentence? Is a minimum of 3 years’ experience required, or is any number of years required?
Answer: The “three (3) years” was inadvertently left in and is a typo to be disregarded in section 4.1.2.c. The correct sentence is “any years’ experience.”
- 2) **Question:** In Volume II - Price Criterion, the expectation is for two (2) full-time resources estimated at 600 labor hours each to perform the scope at the Fermi Building in Richland, Washington. Is there a set schedule as to when the individual(s) would be required to be on site?
Answer: The resource(s) is expected to start as soon as feasible to support deliverables by 9/30/26. Per SOW section 5.4, resource(s) would work a 4-day 10-hour schedule.
- 3) **Question:** Can one person be proposed to perform both tasks?
Answer: No, Buyer intends to make every effort to subcontract two (2) resources at full-time capacity for temporary support.

Except as provided herein, all terms and conditions of the Request for Proposal remain unchanged and in full force and effect.
