NOTE: The external RCI, in and of itself, is not used to document a contract modification, engineering change, or nonconformance. CPCCo's response to this RCI does not constitute authorization to perform a change to the Contract. The Contractor may proceed in accordance with the response only on the basis that the Contractor agrees that it is not a contract change. If the Contractor believes the response constitutes a change, the Contractor shall immediately process a Contract Technical Change request and await receipt of additional written instruction from the Contract Specialist.
