7.0 FINAL RELEASE AND CLOSEOUT

Contractor, after completion of work and receipt of final payment under this Contract, shall promptly execute and deliver a final release discharging the Buyer, the Government and their officers, agents, and employees of and from all liabilities, obligations and claims arising out of this Contract.

8.0 SPECIAL INSTRUCTIONS

8.1 Back Charges

Buyer reserves the right to back charge the Contractor for costs incurred by Buyer that are caused by the Contractor or Contractor's subcontractors in accordance with the Contract General Provisions. In addition to the circumstances described in the General Provisions, the back charge may also result from:

1. Services performed by Buyer, at Contractor's request, which are within Contractor's scope of work under the Contract.
2. Costs sustained by Buyer as a result of Contractor's non-compliance with the provisions of this Contract or Contractor's act of omission or negligence.
3. Costs incurred by Buyer to fix all defects, deficiencies or errors that appear in the Work during the warranty period.
4. Costs associated with Buyer support costs when work is interrupted by a Contractor-caused delay or equipment failure.

At Buyer's sole discretion and if circumstance allow, Contractor may be offered the opportunity to propose a fix or take mitigating actions to reduce the impact and total back charge. In the event that Contractor fails to take satisfactory action, Contractor's option to mitigate shall be withdrawn and Buyer will take appropriate action to cure the problem and back charge Contractor.

1.3 Abnormal or Unusual Situations

In the event that there is an abnormal or unusual situation associated with this Contract work scope, the Contractor is to immediately contact the designated Contract Specialist or designated Buyer's Technical Representative (BTR). If the Contractor is unable to contact either the Contract Specialist or the BTR, the Contractor is to contact the Buyer Occurrence Notification Center at (509) 376-2900, which is available 24 hours a day, seven days a week, and provide them with: Contract Number, Contract Specialist's name, BTR's name and a short summary of the abnormal or unusual situation. If after making contact with Buyer, the Contractor is advised to suspend activities, the Contractor is not to proceed until such direction to proceed has been expressly issued by the Contract Specialist. If there is an emergency situation, the Contractor is to make the appropriate immediate emergency call to 911 or 373-0911 for cell phones and then make the notifications to Buyer as set forth herein.

1.4 Authorized Personnel

Only the following named Contract individuals are authorized to make changes to this document:

Contract Specialist, S. Bradley Punttenney

Procurement Manager, DJ Wuennecke

Manager of Procurement & Supply Chain, John Robinson

1.5 Contractor – Buyer Interface

Buyer and the Contractor will interface only through Buyer’s Contract Specialist for clarifications and questions.

1.6 Other Interfaces

Additional Buyer contacts will be identified at the kickoff meeting.

1.7 Designation of Technical Representative

The designated Buyer’s Technical Representative (BTR) for this contract is:

Christopher Dehmer, 509-373-1832, christopher_e_dehmer@rl.gov

The BTR is responsible for monitoring and providing technical guidance for this Contract and shall be contacted regarding questions or problems of a technical nature. The BTR is also responsible for appropriate oversight of Contractor’s personnel while on site and the interface between Contractor and other Buyer organizations supporting Contract performance.

Authority of the BTR and supporting organizations is limited to providing technical direction within the scope and provisions of this Contract. The BTR may not direct work or authorize any change outside of the written Contract and Contract provisions.

The BTR does not possess any explicit, apparent or implied authority to modify the Contract. When in the opinion of the Contractor, the BTR requests or directs efforts outside the existing scope of the Contract, Contractor shall promptly notify the Contract Specialist in writing. No action outside the scope of the Contract shall be taken until the Contract Specialist makes a determination and/or modifies the Contract.

In no event, will an understanding or agreement, modification, change order, or any deviation from the terms of this Contract be effective or binding upon Buyer unless formalized by proper Contract documents executed by the Contract Specialist.

1.8 Material/Fabrication Items Requirements

The terms of this Contract require materials/fabricated items to be delivered per the Statement of Work by TBD unless terminated by other provisions of this Contract.

1.9 Packing List

Contractor shall enclose a packing list with each shipment referencing:

1. Name of Contractor
2. Contract number and item number
3. Date of Contract
4. Itemized list of supplies or services furnished
5. Quantity of each item
6. Date of delivery or shipment

7. Stock number (if applicable)

1.10 Package Identification

All envelopes, boxes or packages shipped to Buyer in performance of this Contract shall be clearly marked with the Contract number.

1.11 Contractor Submittals

The Contractor submittals identified herein on the Submittal Register shall be submitted by the Contractor using the Contractor Document Submittal Form (CDSF). Instructions for completion of the CDSF are included with the form. The quantity, frequency and type of submittal shall agree with the requirements set forth on the Submittal Register. A Submittal Number, entered on the CDSF by the Contractor in accordance with the submittal register, shall be used to identify each submittal. Engineering controlled Vendor Information (VI) content shall be identified on the CDSF when indicated on the Submittal Register. CDSF forms may be copied for submittals with different submittal dates. When any submission is returned to the Contractor with a request for resubmission (i.e., marked as: “B” and “Resubmit – Yes”; or “C” Revise and Resubmit) the Contractor shall resubmit all corrected documents within the time specified on the resubmission notice or if no time is specified therein within ten (10) working days from the disposition date. New submittals shall require the Contractor to contact Buyer if additional Submittal Numbers are required.

Changes to a Contractor’s deliverables, that have not been accepted by Buyer as complete shall be re-submitted using the CDSF form and in accordance with a Contractor’s Buyer-approved Quality Assurance and/or Engineering Program.

1.12 Proprietary Data Submittals

If Contractor submits any data as part of their Contract, which is considered by the Contractor to be “Proprietary Data,” the document transmitting the data or which contains the data, shall be boldly marked indicating that the data included in considered to be proprietary.

1.13 Document Transmittals

The Contractor shall utilize a document transmittal system for the exchange of data and information during the performance of work under this Contract. The transmittal shall contain:

1. A unique identification number,
2. A brief identification of the document(s) including revisions,
3. The date of the transmittal,
4. Purpose of the transmittal, including required action (if any),
5. Signature of supplier representative, and
6. Means or provisions for receipt acknowledgement by Buyer.

1.14 Engineering Drawing Standards

All engineering drawing deliverables required in this contract shall be submitted in AutoCAD and comply with the requirements of the current revision of CPCCC-STD-EN-40279, Engineering Drawing Standards.

1.15 Requests for Clarification or Information

Where necessary, the Contractor may elect to submit formal requests for Clarification or Information as necessary to obtain technical clarifications using the Request for Clarification or Information (RCI) Form. The inquiry portion of the RCI Form shall be completed by the Contractor, including a determination of priority and an identification of schedule delay with the issue, if applicable. RCI Form numbering shall be left blank and assigned by Buyer upon receipt. Buyer will complete an evaluation, and provide a disposition and determine additional actions required, when appropriate. The purpose of the form is to facilitate formal communications when necessary.

1.16 Contract Change Request

The Contractor shall submit formal requests for changes to the scope, schedule or cost of this contract using the Contract Change Identification Form. The appropriate portions of the Change Form shall be completed by the Contractor. A red-line mark up of the Statement of Work or Specification showing where the proposed changes fit within the scope shall be attached, if applicable. Change Form numbering shall be left blank and assigned by Buyer upon receipt. Buyer will complete an evaluation, provide a disposition and determine additional actions required, as appropriate. The purpose of the form is to facilitate formal communications.

1.17 Work Schedules and Holiday

NOTICE: Daily work schedules and facility operations are NOT consistent on the Hanford Site. Buyer and some other organizations are working a 4x10 schedule and others observe alternate Friday closures.

Accordingly, Contractor is responsible to understand and plan to support the work schedule required for this specific Contract and/or work location. BEFORE scheduling work on site and/or deliveries, the Contractor shall make specific schedule arrangements with Buyer, BTR, Facility Manager, Delivery Warehouse Manager, Building Manager, etc.

Buyer will not be liable for the cost of any delays, demurrage, layover, extra travel days, etc. which result from Contractor's failure to plan for and obtain specific schedule concurrence in advance.

1.18 Foreign National Notification and Approval

The Contractor, regardless of work location, shall obtain Buyer's approval prior to providing any Foreign National (non-U.S. citizen) access to any Department of Energy (DOE)/Buyer sites, programs, information and technologies under the this Contract. Prior approval is also required for Contractor-hosted meetings where Foreign National(s) will be present or any Contractor travel outside the United States to perform work under this

Contract. Foreign National requests will be processed in accordance with [DOE Order 142.3 \(current version\)](#), *Unclassified Foreign National Access Program*, and applicable Hanford Site procedures.

1.19 On Site Work Restriction

Unless authorized by the Contract Specialist for specific Contractor personnel for a specific time, location, and purpose or otherwise incorporated into the Contract by a modification, Contract work scope activities are not authorized to be performed on the Hanford Site.

2.0 DEFINITIONS

There are no special definitions applicable to this Contract.

3.0 ASSUMPTIONS

There are no special assumptions applicable to this Contract.
