SECTION A – REQUEST FOR QUOTATION

1.0 INTRODUCTION

Central Plateau Cleanup Company (Buyer) acting under its contract with the Department of Energy, requests Offerors to submit a proposal for a firm fixed price type of contract to provide radio and other communication equipment. This Section A describes the basis of award, proposal submittal requirements, proposal instructions, and notices to offerors. Section B contains Representations and Certifications and other documents, which offerors may be required to complete, sign and return with their proposal.

Buyer may determine that any proposal not submitted in accordance with this Request for Quotation (RFQ) is non-responsive and reject the proposal.

2.0 BASIS OF AWARD

Buyer intends to award a purchase order to the responsible, responsive offeror with the lowest evaluated price and meets the RFQ requirements.

This acquisition is considered a commercial procurement as defined by the FAR.

2.1 Acceptance or Rejection of Proposals

Buyer reserves the right to accept or reject any proposal with or without prior discussion with the Offeror. Buyer may:

- award a contract on the basis of proposals received without discussions with offerors (therefore, initial proposals should be submitted with the most favorable technical and price terms);
- select one or more offerors with which to negotiate;
- reject any or all proposals received;
- issue a request for new proposals; or
- cancel the RFP without awarding a contract.

2.2 Responsiveness and Responsibility Determination

Buyer will determine if the Offeror is responsive to Buyer requirements and eligible for award. This evaluation may include (but is not limited to) information gathered from other sources, including financial stability and past performance for Buyer or other customers. The determination may be made at any time by Buyer without additional

questions or revision. Buyer may waive minor informalities and irregularities in offers received.

2.3 Proposal Content

Offeror's proposal must contain information sufficient to demonstrate an understanding of the requirements and Offeror's ability to perform successfully as proposed. Offerors who submit proposals which are unclear or incomplete may be judged non-responsive and dropped from further consideration for this award. Simply repeating the statement of work requirements or merely offering to perform the work may result in a lower evaluation or the offer being judged non-responsive to the requirements and dropped from further consideration..

2.4 Additional Award Documentation

2.4.1 CPCCo Representations and Certifications

2.4.2 Executive Compensation Certification

2.5 Offeror's Acceptance

Unless otherwise noted by the Offeror in its proposal, Offeror's submission of a proposal signifies the Offeror's unqualified acceptance of all of the technical requirements and other terms and conditions that are contained and referenced in this RFQ.

2.6 Exceptions to Technical Requirements and Other Terms and Conditions

The Offeror shall describe any exceptions to the technical requirements and other terms and conditions on which the Offeror's proposal is based. In case of doubt, Offeror should request clarification from Buyer.

2.7 Proposal Validity Period

A proposal shall remain firm for 60 days after the proposal due date.

3.0 PROPOSAL SUBMITTAL DIRECTIONS

3.1 Questions and Comments Regarding the RFQ

The Offeror may transmit questions and comments via e-mail. Buyer will answer all questions in writing and provide a copy of all questions and answers to all offerors.

3.2 Deadline

Proposals are due by 5:00 p.m. on 3/17/2025. Buyer reserves the right to reject any proposal received after the deadline.

3.3 Submittal Address

The Contract Specialist's telephone number is 509-376-7081, and the e-mail address is Kelly_N_Miller@rl.gov. The Offeror may contact the Contract Specialist to verify that the Contract Specialist received the proposal.
